UNFOLD THE BMW Z4 FIRST EDITION.

INTRODUCING THE NEW BMW Z4 M40i FIRST EDITION.

Ahead of the official introduction of the new BMW Z4, we are delighted to introduce an exclusive First Edition.

Anticipation for the new BMW Z4 has been rapidly growing since the debut of the stunning BMW Concept Z4 at the Concours d'Elegance in Pebble Beach last year and this special First Edition celebrates the arrival of the latest prodigy in the iconic BMW Z Series range.

Limited to only 45 models in the UK, the BMW Z4 M40i First Edition finished in a special Frozen Orange body colour, combines powerful roadster performance with exclusive design and equipment features, offering a unique opportunity to own one of the first BMW Z4 models of this new generation.

DESIGN AND SPECIFICATION.

The BMW Z4 M40i First Edition boasts exclusive design features and an exceptional level of standard equipment. Signature highlights include:

EXTERIOR.

- Exclusive Frozen Orange metallic exterior finish
- Convertible soft-top roof in Anthracite with silver effect (electrically operated)
- 19" BMW M Performance light alloy wheels
- Adaptive LED Headlights
- Extended BMW Individual High-gloss Black Shadowline and side mirror caps
- BMW kidney grille with honeycomb effect finished in Cerium Grey and framed in High-gloss Black
- M Sport exhaust system finished in black chrome

INTERIOR.

- Vernasca leather upholstery in Black with decorative stitching
- Harman Kardon loudspeaker system
- BMW Live Cockpit Professional
- Latest generation BMW Head-up Display
- Electric seats with memory function and lumbar support

THE NEW BMW Z4 M40i FIRST EDITION.

PERFORMANCE.

The BMW Z4 M40i First Edition is powered by a potent M Performance TwinPower Turbo petrol engine with power distributed through the cutting-edge eight-speed Sports Automatic transmission with Launch Control.

Power is matched with perfectly balanced poise through 50:50 weight distribution, Adaptive M suspension and an active M Sport differential to deliver agile handling and the exhilarating performance that you would expect from a sporting roadster.

PERFORMANCE STATISTICS:

ENGINE:

TwinPower Turbo Six-cylinder
3.0 litre petrol engine

POWER:

340hp

TORQUE:

500Nm

0-62MPH:

4.6 seconds
